## My Favorite Project

### This Portfolio!

=D

## Upcoming Projects

### Web API JavaScript

```

1 <!doctype html>
2 <html>
3 <head>
4   <title>JS accesses Reporting API</title>
5 </head>
6 <body>
7   <script src="jquery.js"></script>
8   <script src="base.js"></script>
9   <script src="marketing_cloud.js"></script>
10  <script type="text/javascript">
11    var username = "jexner:Jan Exner Inc";
12    var secret = " ";
13    var method = "Company.GetReportSuites";
14    var endpoint = "api.omiture.com";
15  </script>
16  <p>Drumroll...</p>
17  <p id="resultspace"></p>
18  <!-- <button id="getToken">Get a Token</button -->
19  <script type="text/javascript">
20    $(document).ready(function() {
21      MarketingCloud.makeRequest(username, secret, method, {}, endpoint, function(response) {
22        alert("API Response: " + response.responseText);
23      });
24    });
25  </script>
26 </body>
27 </html>

```

Next will be my week 4 Web API project
